**TradeStation Rated “Best for Frequent Traders” for Third Consecutive Year in *Barron’s* Magazine’s Annual Ranking of Online Brokerage Firms**

**Also Rated “Best Trading Experience and Technology” and Given Highest Star Rating for “International Traders”**

**Plantation FL, March 11, 2013** – [TradeStation](#), a Monex Group company ([TSE: 8698](#)) and award-winning broker-dealer and futures commission merchant, was ranked “Best for Frequent Traders” in *Barron’s* magazine’s annual review of online brokerage firms, now in its eighteenth year. TradeStation topped 23 other leading online brokers in the frequent trader category, including Interactive Brokers, TD Ameritrade, Charles Schwab, Fidelity, E\*TRADE, Scottrade, Merrill Edge, tradeMonster, and optionsXpress.

In rating TradeStation “Best for Frequent Traders” and awarding it the highest rating for “Trading Experience and Technology,” *Barron’s* noted that “TradeStation offers an incredible platform.... The trading experience can be completely customized, allowing you to trade from grids, charts, or market-depth screens.” Winning the “Best for Frequent Traders” ranking for the third consecutive year cements TradeStation’s position as the leading online broker for the active trader and investor markets. TradeStation also received the highest star rating for “International Traders” for the second year in a row and third time overall.

*Barron’s* went on to praise TradeStation for offering traders “help when you first become a TradeStation customer, with support staff figuring out where you are in your trading career and helping you customize the flexible platform for your needs. There are numerous Webinars available throughout the week to keep you in touch with the markets, from a weekly futures market outlook to a daily stock-market session. In addition, there is video help built in to almost every screen.”

“We are truly honored to once again be ranked ‘Best for Frequent Traders’ by *Barron’s*,” said Salomon Sredni, CEO of TradeStation Group, Inc., TradeStation’s parent company, and COO of Monex Group, Inc. “TradeStation has always strived to be the brokerage of choice for the market’s most active and demanding traders and

investors. To achieve the highest ranking in this and other categories – including ‘Trading Experience and Technology’ and highest star rating for ‘International Traders’ – reflects our employees’ commitment not only to developing the most sophisticated trading tools possible, but also to backing them with personalized support services across the equities, options, futures and forex markets.”
