[TradeStation](#), a Monex Group company (Monex Group, Inc. is listed on the first section of the Tokyo Stock Exchange, [code: 8698](#)) and an award-winning broker-dealer and futures commission merchant, received the award for #1 Platform Technology for the third consecutive year in the [2015 Online Broker Review](#) conducted by StockBrokers.com. TradeStation also received the award for #1 Desktop Platform for the first time.

In addition, TradeStation received a “Best in Class” rating in the Platform & Tools category for the fourth consecutive year, a “Best in Class” rating in the Active Trading category for the fifth consecutive year, and a “Best in Class” rating in the Options Trading category for the third year in a row.

StockBrokers.com’s fifth annual Broker Review evaluated 15 brokers on a total of 272 separate variables, which were then used to create nine different category rankings.

“We’re honored that this year’s StockBrokers.com Broker Review has once again recognized TradeStation as the technology of choice for active traders,” said Salomon Sredni, CEO of TradeStation Group, Inc. and COO of Monex Group, Inc. “Not only were TradeStation’s platform technology and desktop platform rated the industry’s best, but we also maintained our ‘Best in Class’ ratings in the three categories of Platform & Tools, Active Trading and Options Trading. This continuing commitment to excellence is why traders trade with TradeStation.”
